Step 8

Once you have got New Password - Log In to CMRs with it:

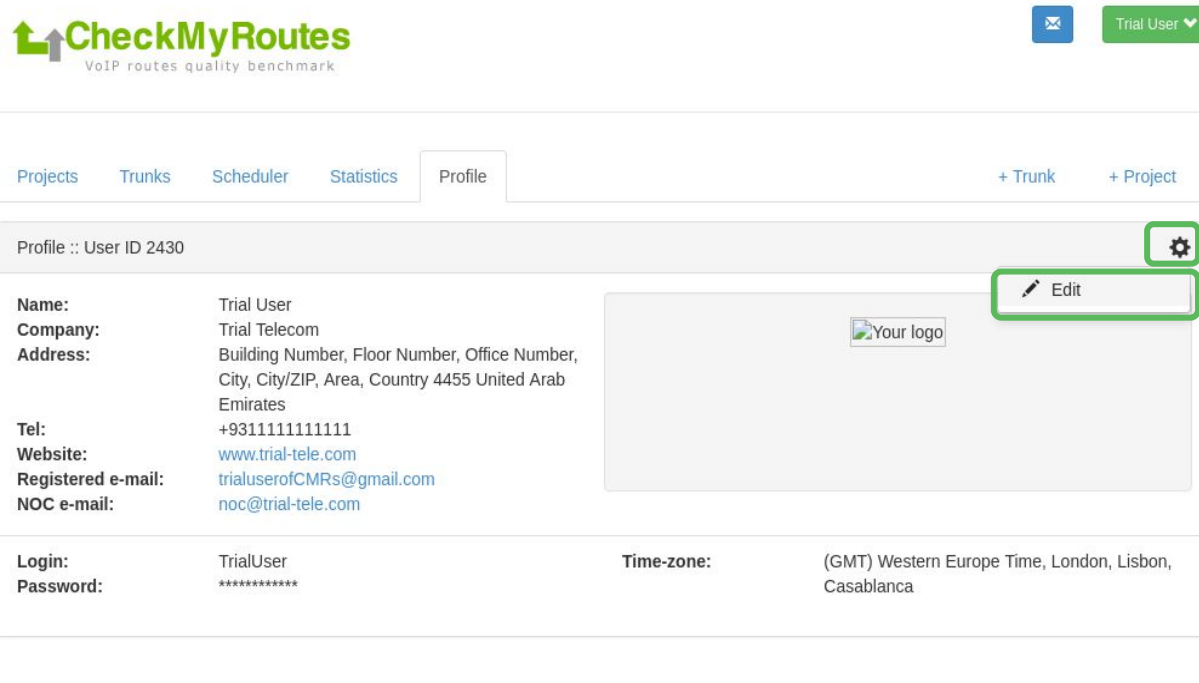

The screenshot shows the CheckMyRoutes website interface. At the top left is the logo "CheckMyRoutes VoIP routes quality benchmark". Below it are navigation tabs: "Projects", "Trunks", "Scheduler", and "Statistics". A dropdown menu is open in the top right corner, showing "Profile", "Groups", "Subscription", and "Logout". A green box highlights the "Profile" option, and a green arrow points from the text "Secondly - Press Profile button to see your Profile tab" to it. Another green box highlights the "Trial User" dropdown, with a green arrow pointing from the text "First - Press Account button to open Account sub-menu tabs". The main content area shows a table with columns: "Executed", "Destinations", "Trunk", "Calls", "ASR", "Timeout", and "PFAS". The table is currently empty, displaying "No data available in table".

First - Press Account button to open Account sub-menu tabs

Secondly - Press Profile button to see your Profile tab

Step 9

Once you are on the Profile tab you can edit your personal information and other account configurations

The screenshot shows the 'Profile' tab of the CheckMyRoutes interface. The page header includes the 'CheckMyRoutes' logo and a 'Trial User' dropdown menu. The main content area displays user details for 'User ID 2430'. A green box highlights a gear icon (cogwheel) in the top right corner of the profile card, and another green box highlights an 'Edit' button with a pencil icon. The profile information includes:
