

CheckMyRoutes®

**Quick User Guide:
Account Registration**

Step 1

Press “Sign up today” button to create your own CMRs account

Automated VoIP routes testing

Professional tool for automated testing of SIP trunks via your own equipment.

CheckMyRoutes® will save time of a technical team of any wholesale VoIP carrier!
A sales team will get precise testing reports in minutes.

FAS discovery

CheckMyRoutes® provides **determination of VoIP False Answers** with probability of 98%, including the determination of mimic FAS. A testing process is maintained by simultaneous calls.

Interaction

You can **share testing results with your customers** in order to prove the quality of tested routes. Also, you can **sent trouble-tickets to your vendors** directly from CheckMyRoutes®.

Quality proof

Our detailed reports will also include **voice recordings** of ringing and answer simulation on calls. It gives ability to easily prove a quality of tested routes to your vendors!

Useful

CheckMyRoutes® offers the **testing numbers database**, which is updated on daily basis. You can initiate a test in seconds for any destination in the World.

Step 2

Fill in the form as shown in the example below:

[Home](#) [Pricing](#) [Support](#) [My account](#)

Sign Up

Please, fill the next form to register your account. All fields are mandatory.

First Name	<input type="text" value="Trial"/>	Last Name	<input type="text" value="User"/>
Email	<input type="text" value="trialuserofCMRs@gmail.com"/>	Phone	<input type="text" value="+9311111111111"/>
Company	<input type="text" value="Trial Telecom"/>	Country	<input type="text" value="United Arab Emirates"/>
Address	<input type="text" value="Building Number, Floor Number, Office Number, City, City/Zll"/>	City/ZIP	<input type="text" value="4455"/>
Website	<input type="text" value="www.trial-tele.com"/>	NOC Email	<input type="text" value="noc@trial-tele.com"/>
Login	<input type="text" value="TrialUser"/>	Password	<input type="password" value="*****"/>
		Confirm Password	<input type="password" value="*****"/>
Security check	<input type="text" value="976326"/>		

We inform you that in case of intentionally incorrect data (such as a fictitious business name, address, website or phone), your account will be blocked, and your IP-address will be added to the black-list. Despite the automatic process of registration your profile will be checked by our moderators.

By clicking the button, you agree to the terms of service

[Create my account](#)

[Terms of Service](#) [Privacy Policy](#) [Refund Policy](#) [Copyright](#) [Contact Us](#)

© Alrus International Ltd. 2016.

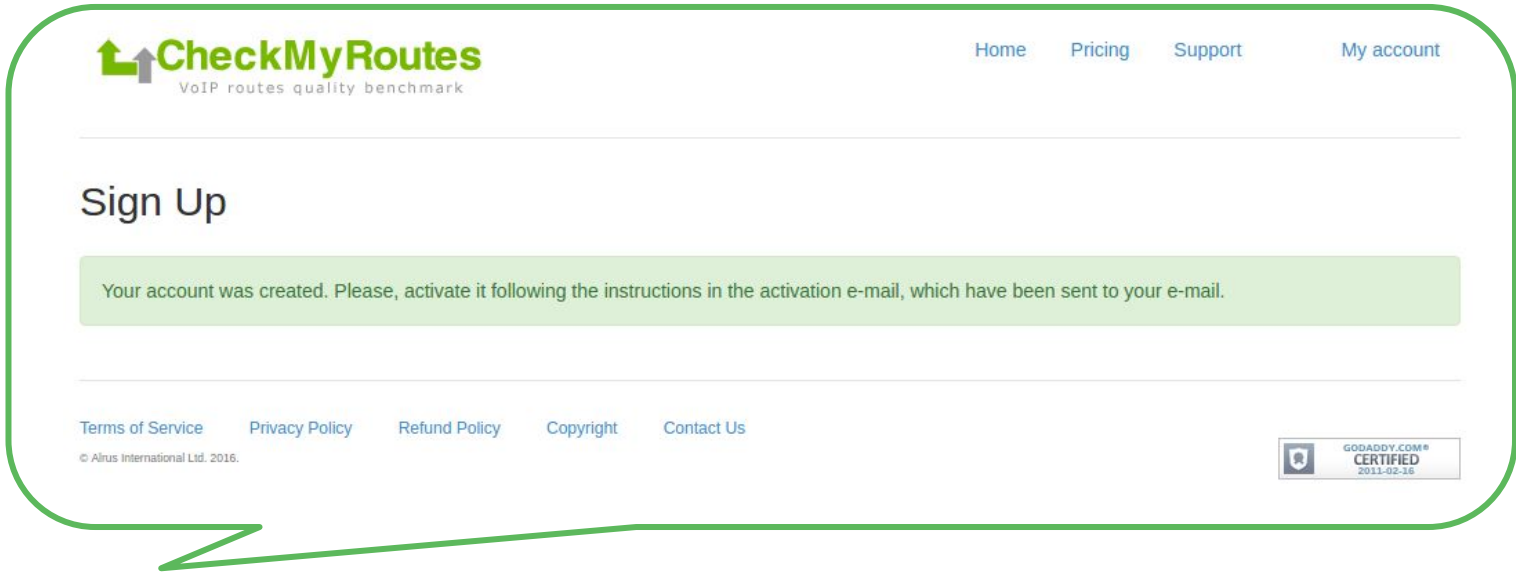

Press it to finish creating your CMRs account when you ready.

Note: all fields are mandatory.

Step 3

It is almost done!

Your account was created. Please, check up your e-mail box for activation e-mail.

The screenshot shows the CheckMyRoutes website interface. At the top left is the logo with the text "CheckMyRoutes" and "VoIP routes quality benchmark" below it. To the right are navigation links for "Home", "Pricing", "Support", and "My account". The main heading is "Sign Up". A green message box contains the text: "Your account was created. Please, activate it following the instructions in the activation e-mail, which have been sent to your e-mail." At the bottom, there are links for "Terms of Service", "Privacy Policy", "Refund Policy", "Copyright", and "Contact Us". A footer note reads "© Alrus International Ltd. 2016." and a "GOADDY.COM CERTIFIED 2011-02-16" badge is visible in the bottom right corner.

You will get the same message, as it shown, if all is fine.

Step 5

Url will transfer you to confirmation web-page like this example:

The screenshot shows the CheckMyRoutes website. The logo is in the top left, and navigation links (Home, Pricing, Support, My account) are in the top right. The main heading is "Sign In". A green message box contains the text "Your account successfully activated. Now you are able to [sign in](#)." A red arrow points from a text box on the right to the "sign in" link. The text box contains the instruction "Press 'sign in' button!". The footer includes links for Terms of Service, Privacy Policy, Refund Policy, Copyright, and Contact Us, along with a Godaddy.com Certified logo and copyright information for Airus International Ltd. 2016.

We have changed our terms of service. Please, accept the below terms to continue using our service:

TERMS OF SERVICE

Alrus International Ltd. ("We" or "ALRUS") welcome you to <https://www.checkmyroutes.com/> (our "Website" or "Websites"). By using or visiting the Websites, or using our services, software or products (collectively the "Services"), you acknowledge that you accept the terms, conditions, restrictions and policies outlined in the Terms of Use below (the "Terms"). The Services may also provide an opportunity for you to download software or other products, or link to websites ("Third Party Services") offered or made available by third parties not affiliated with ALRUS ("Third Party Providers"). These Terms do not apply to (and We are not responsible for) such Third Party Services, and these Terms do not govern the practices of such Third Party Providers. When utilizing Third Party Services, you should read the relevant terms of use regarding use of such third party websites, software or products, including any applicable end user license agreement ("EULA").

1. Acceptance

1.1 In order to use the Services, you must first agree to the Terms. You may not use the Services if you do not accept the Terms.

1.2 You accept these Terms by actually using the Services. You understand and agree that ALRUS will treat your use of the Services as acceptance of the Terms from that point onwards.

1.3 You may not use the Services, and may not accept the Terms, if you are under the age of sixteen (16), or you are a person barred from using or receiving the Services under the laws of the United Arab Emirates or any other relevant jurisdiction, including the country you are resident or from which you use or access the Services.

2. Use of the Services

2.1 You agree to use the Services only for the purposes that are permitted by these Terms and by any applicable law, regulation, or generally accepted practices or guidelines in any relevant jurisdiction (including any laws governing the export or import of data or software to and from the United Arab Emirates or other relevant jurisdictions).

2.2 You agree that you will not:

(a) engage in any activity that interferes with or disrupts the Services, or the services or networks which are connected to the Services or on which the Services are hosted;

I have read and agree with the Terms of Service.

Accept and continue

Click if you agree
